THE PRINCIPAL'S POSITION

Thank you Stewart families for such a great school year. I have been so pleased with the progress the kids have made throughout the year. As the year comes to a close, I am excited to share about a great summer opportunity. Washington Schools will continue to offer a completely free summer lunch program. The following are the details:

- Lunch will be served at Lincoln Elementary
- The program will run from June 9th to August 1st from 11:30 – 1:30
- Anyone birth to 18 years of age can receive a free meal, a fee will be charged for anyone over 18
- There are transportation routes around town and Brighton to shuttle over to Lincoln to participate

We HIGHLY encourage families to take advantage of this great service that the district is so happy to provide.

The final month is always so bittersweet. It is a time we have to say goodbye to our second grade students. We never want to let them go but are so happy to watch them spread their wings at Lincoln. We also have staff members that will be moving on that have left permanent marks on so many lives at Stewart. As difficult as it is to watch both students and staff leave our doors for the last time, we are all happy for the journey that lies ahead for all of them.

Have a terrific summer...read, read, read!☺

THE GUIDANCE CORNER/ SIEVERS' SAYINGS

Happy May! As we begin spending more time outside with the warmer temperatures, we believe it is important for your children to learn about ways to keep themselves safe. In an effort to help your children, we will be learning about safety rules including:

1. You have the right to be safe.
2. How to do the Yello Dyno Yell.
3. Trick People: It's not what they look like that matters, but what they ask you to do.
4. Always ask first.
5. Take three steps back and run like the wind!
6. Don't keep secrets that make you feel unsafe.
7. Whom to turn to for help.
8. Trust your feelings.
9. My Body's Mine, Mine, Mine!

We encourage you to continue conversations with your children about ways to be safe. If you have questions or would like to preview these materials, please contact us at your convenience. We hope your family has a safe and wonderful summer!

Ms. Sievers and Mrs. Knowles

LUNCH POLICY FOR GUESTS

Please be aware that our policies for adult and student guests that are joining students for lunch have changed. Anyone wanting to eat with their children must now purchase their lunch at the office. It is no longer possible for us to scan your lunch out of your child's lunch account. We are sorry for any inconvenience this may cause. Please let the office know when you sign in if you are planning to eat lunch, and the office can give you a lunch ticket at that time.

LOST AND FOUND ITEMS

Feel free to come and look through our lost and found items. We will only keep them until the last day of school. After that, they will be donated.
