## THE EASTERN IOWA BRASS BAND

The Washington Area  
Performing Arts and  
Events Center  
1111 South Avenue B  
Washington, Iowa

For over 25 years, the  
Eastern Iowa Brass Band has  
been entertaining audiences  
throughout Iowa, the  
Midwest and even beyond.  
The British-style brass band

grew from a brass ensemble  
that was originally part of the  
city band in Mt. Vernon,  
Iowa. Standard British brass  
band instrumentation features  
conical bore horns,

producing a rich, mellow  
sound that is both dynamic  
and colorful. This is the only  
brass band of this type in  
Iowa and will be a truly  
unique musical experience.
