2017 Spring Hitting Clinics

Dear Parents and Students,

The Washington Demon Softball Program is excited to announce a youth hitting clinic for all girls currently in grades 5th, 6th, and 7th. Beginning in March, there is an opportunity for girls to participate in a 4-week clinic, with the option of choosing a Thursday or Friday time slot.

Sign-up will be on a first come, first served basis, and the maximum girls allowed for each session is 15. The dates for the Thursday Clinic are March 9, 16, 23, and 30 from 5:45-7:00, while the Friday dates are March 10, 17, 24, and 31 from 3:45-5:00.

The purpose of the clinic is to provide the girls with the knowledge of the proper mechanics needed for a softball swing, while engaging in station work and competitive challenges. Additionally, girls will begin to learn about the mental side of the game of softball. Camp instructors will be members of the Washington Softball Coaching Staff, along with current players in the high school program. Participants can expect hands-on instruction in a safe, fun, and strong learning environment.
