Girls Go STEM!

It's a girl thing!

Girls: if you're a 6th-, 7th-, or 8th-grader, now's a great time to discover STEM (science, technology, engineering, and math). Join us for hands-on experiences, medical simulations, research activities, and career exploration alongside current UI students, plus doctors, researchers, and other health science professionals.

Parents you're invited, too! Join us for parent-only programming and observe your daughters as they take part in hands-on STEM learning. It'll be informative and fun!
