

Washington Community Schools & YMCA of Washington County

DEMON DASH "FUN RUN" **4 or 1 MILE RUN/WALK** **"DECADE DASH"**

Washington Community Schools and the YMCA of Washington County, will be sponsoring the 10th annual Demon Dash on Saturday, April 7th 2018, at 9 AM at the Washington High School. The Run/Walk will pass by each of the schools (High School, Middle School, Lincoln and Stewart). This annual event promotes health education and fitness for students and the community. Proceeds are used to purchase equipment for the physical education departments at each of the four schools, and provide youth programs at the Washington YMCA.

Registration includes a delicious breakfast provided by the WHS PTO group. Those funds are used for High School student scholarships.

There are several ways to contribute to this community event and promote education and physical fitness.
