Tournament Rules

- Balls will start on the midline at each game.
- Players that step on or across any boundary line, including the mid-line, will be out.
- Players who are hit by a ball thrown by the opposing team are out. unless:
 - the ball is caught before hitting the ground,
 - the thrown ball is deemed an intentional head shot,
 - the thrown ball has hit another player first.
- A player who throws the ball resulting in a head shot is out unless the opposing player is ducking to avoid the ball, in which the player being hit is out.
- If a player catches a thrown ball before it hits the ground, one of their eliminated teammates may return to the court, and the opposing player who threw the ball is out.
- Players may use a ball to block on-coming balls.
- Players may not physically touch any opposing player.

The first team to legally eliminate all opposing players will be declared the winner. A 7-minute time limit has been established for each game. If neither team has been eliminated at the end of the 7 minutes, the team with the greater number of players remaining will be declared the winner. All balls are dead (even if they are in the air) when the 7 minute horn sounds. In the case of an equal number of players remaining after regulation, a 3-minute sudden-death overtime period will be played.

Three-on-three, first man out.
