

Volunteer with Financial Literacy Fair

We're looking for volunteers to talk with middle school students for one morning.

On **April 17th**, 8th graders will participate in **Financial Literacy Fair** at the **Knights of Columbus Hall in Washington from 8:30am – noon**. Throughout the year these students learn about career paths, the basics of budgeting, and financial well-being. Based on their aptitude and interests, they select a career, determine their monthly income and develop a virtual budget. This Spring they will attend the Fair to make financial choices and document their decisions on the FLF budget sheet. Financial Literacy Fair is a fun interactive way for students to learn the connection between careers/education and income/lifestyle, wants vs needs, and how quickly it all adds up. We need your support to help make this happen.

Join the Fun! No experience necessary. A brief volunteer training is given before students arrive.

Schools involved: Highland, Mid-Prairie & Washington Middle Schools.
