

This summer, the Washington High School Spanish teachers Regina Schantz and Chad Wieland accompanied eight WHS Spanish students on a week-long trip to Costa Rica. The students lived with families, spoke Spanish and explored the sights/ culture of Costa Rica. This included adventures such as: seeing the rain forest, volcanoes, coffee plantation tours, pineapple field tours, chocolate factory tours, community service at a children's daycare, zip-lining, salsa dancing, cooking and more. Students who will have completed Spanish 3 are invited to join the adventure next summer. See Mr. Wieland or Mrs. Schantz to sign up!
