

We are proud that our teacher, Shelly Duwa, has just completed the University of Iowa's BizInnovator Teacher Certification to teach in Entrepreneurship courses. The BizInnovator curriculum introduces the concept of Entrepreneurship beginning with identifying characteristics of the entrepreneur, evaluating opportunities, feasibility, financing and planning for success. The courses are ideal for students who have an interest to pave new paths, create new things or solve problems. It provides students with a framework to apply interests in the world of business and entrepreneurship. Congratulations, Shelly Duwa!
