

The Washington High School Library has added a iPad kiosk for students and staff to check out eBooks from the MackinVIA website. The eBooks can be read on a computer, iPad, phone or any other electronic device. On the library shelves students will find books that are in the system. Pictured: student Jose R is shown looking at book selections. It is a fantastic addition to our library made possible through the Hy-Vee \$1000 Receipt Redemption Program. The Washington Hy-Vee donates \$1,000 to the school district for every \$150,000 in sales receipts that are submitted. No amount is too small. Please continue to collect receipts and turn them into one of our schools. Thank you Hy-Vee and THANK YOU to all the parents, students and friends of our schools that help make this program work by collecting and turning in your receipts!
