

The Washington Community School District Foundation is a non-profit organization incorporated in 1994 to maintain, develop, increase and extend the facilities and services of the Washington Community School District. In addition, the Foundation has the goal to provide broader educational opportunities to the students, staff, faculty and residents of the geographical area served by the School District.

The WCSD Foundation is governed by a 9-member board of directors comprised of local residents who are interested in helping achieve the educational goals of the District. The Foundation is also a tax exempt organization as described in section 501(c)(3) of the Internal Revenue Code, which means that gifts to the Foundation may be tax deductible.

Donations can be of any size, and can be in the form of cash, securities, personal property, real estate, life insurance, IRA / retirement accounts or trust distributions. If you have an area of special interest that you want to help, such as science, literature, the arts, or maybe elementary school education, you can designate how your gift is to be used, or simply donate for the general educational purposes of the Foundation.

For more information about the Washington Community School District Foundation, or if you would like to make a donation, please contact Richard Bordwell at 319-652-2177.
