

#Washpride Cafe would like to thank everyone for the support, we have met our first goal and got to have a pizza party today! We really appreciate it! Anytime anyone in the district wants to stop in the Middle School for a coffee, hot chocolate, tea, cider or cold tea, lemonade let us know! We also had some cool new aprons made for us, so we don't spill on our clothes. If you haven't seen them yet, here they are!
