

The Washington Music Boosters invite you to join us in striving to provide our children with a quality music program for grades K-12. Washington Music Boosters have traditionally printed calendars to sell as our primary fundraiser. Unfortunately sales have dwindled due to the increased use of technology. In the past Music Boosters have purchased chairs for the high school band and choir rooms, a trailer for equipment, choir robes, marching band uniforms, music and various instruments. The boosters allocate an amount of money for each program to be used each year. Boosters also provide volunteers to help with concerts and other music events. The cost to run music programs is expensive and it takes the combined efforts of Music Booster and School District funds to do this. Your contributions not only provides financial support for Washington music, but allows the Music Boosters to highlight and thank you as a Patron at all concerts and events. There are six Music Patron levels available for you to choose from. Please consider a financial contribution.
