

It's Physics Olympics time once again! On Thursday, March 27, the WHS Physics students competed in the annual Physics Olympics held at Coe College. It featured five events: Catapult, Mousetrap Car, Bridge Building, Soda Straw Arm & a Challenge Problem. Students that participated in this event included: Brett B, Jacy C, Clndy E, Jacob F, Adam G, Malary H, Logan H, Alex K, Jeffrey K, Celina L, Owen L, Amber L, Amado M, Jacob M, Devin P, Marisa P, Ashley R, Jessica S, Ian S, Jiovanni T& Caitlin Y. We had a great showing; result will be announced soon. We are now headed to state which will be held at UNI on April 17! Congratulations to Mr. Jeffrey Richard & the WHS Physics Olympics Team!
