The Williamsburg and Washington communities would like to come together to support Perry Rich and his family by wearing Black and/or Yellow to the Raiders vs Demons game on Feb. 16th. Perry is a graduate of Washington High School and now a resident of Williamsburg battling brain cancer. Join us at the game to help lift Perry up with our support! Perry will be receiving treatment in Rochester, MN and won't be able to attend the game - but will feel the love from afar with video and pictures!
