

Here at the Washington School District, we are very lucky to have such great teams of Parent Groups: Stewart Boosters, Lincoln PTG, JH PIE Team (Parents In Education) and the WHS PTO (Parent-Teacher Organization). We want to extend a BIG THANK-YOU for all that you do! The missions of these groups is to establish and maintain a working relationship between parents, school and community; to enhance the educational experience by supporting academic and enrichment activities; and to improve the environment within our schools by providing volunteer and financial support. The groups sponsor projects and events that will improve the educational opportunities within our schools. The teams work on grants for our schools, coordinate the donation of items for our school, work on fund-raisers throughout the year to fund projects, and volunteer TIME in making our schools better for our students and community! If you would like to be more involved in your students school; we encourage you to join in the FUN! Pictured here are WHS PTO Officers presenting an iPad to Kim Scherer's classroom which was funded through projects; left to right- Alicia Vittetoe (WHS PTO President), Kim Scherer (Teacher), Tish Johnson (WHS PTO Officer) and Kim Linnenkamp (WHS PTO Treasurer).
