

Thank you to the Washington High School PTO for recently funding three iPads for Special Ed & ELL students. The iPads encourage/ assist in reading skills, eliminate students needing to carry around heavy books, help students get organized (they keep everything in one place!) and provide students with instant access to material. Two iPads were presented to Jay Zieglowsky's classroom and one iPad was presented to Kim Scherer's classroom. Pictured here are (left to right): Alicia Vittetoe (President WHS PTO), Kim Linnenkamp (Treasurer, WHS PTO), Tyler (student), Lexi (student) and Jay Zieglowsky (Teacher). Thank you WHS PTO-- Fantastic news!
