

High School students can view 2011-2012 schedules online. All schedules are subject to change as we are completing them and balancing class sizes. Completed schedules will be available for all students to view online or to print as of August 17. Schedules will be given to the Sophomores at orientation in August. If there is a change you want to make on your schedule, high school counselors will be available in their offices on August 17th-24th. Please stop in, call or email during those dates if there is a change you want to make on your schedule.
