

John Tweeton, a 1968 graduate, sent two huge cakes to the WHS Yearbook team to celebrate www.whsyearbooks.com - a website that now has all WHS yearbooks 1920-2010 online. We are the **FIRST SCHOOL IN THE COUNTRY** to have all of their yearbooks online! The website contains PDFs of all of the WHS yearbooks. You'll want to check out the website - it has a lot of great Washington history as well as the yearbooks! Pictured are some of the students on the 2012 yearbook staff: Tiffany, Paiton, Caitlin, Nick and Brooklyn (editor).
