

Washington Middle School has received a \$2000 Trees for Kids grant to plant over 24 trees and the DNR has donated an additional 200 low level shrubs. The school will complete the planting process on April 24, 2013 beginning at 1:30pm. Students, parents, or community members who would like to volunteer two hours of their time to help with this project can notify Mr. Mayer in the office or email him at [cmayer@washington.k12.ia.us](mailto:cmayer@washington.k12.ia.us). Thank you in advance and we look to have a great turnout on this date.
