

The Washington Middle School would like to thank Hy-Vee for a recent \$1000 donation through the Hy-Vee Receipt Program. If you're not aware of this yet; it is a fantastic program. By saving your Hy-Vee receipts and turning them into our schools, we are rewarded with cash for our schools! The Washington Hy-Vee has a great promotion with our Parent/ teacher groups and organizations. For every \$150,000 in receipts collected; Hy-Vee Washington will donate \$1000 to one of our schools. With the \$1000 donated to the Middle School a refrigerator was purchased for the Life Skills classes. Keep collecting your local Hy-Vee receipts and turn them into any of our four schools collection sites. THANK YOU Hy-Vee & thank you EVERYONE for your support in this great program! Because of YOU; our students & schools are doing great things! Pictured L-R: Chuck Underhill (Hy-Vee Store Manager), Beth Moravec (PIE President), Curt Mayer (Middle School Principal).
