

There will be a parent meeting for the students who have registered for the Washington D.C. trip on Thursday, May 22nd at 6pm in the Middle School Gym. We will be going over all travel details including lodging information, packing information, and general trip information. Please make every effort to attend. We will also have a drawing to determine which students will be the WMS representatives at the Wreath Laying Ceremony at Arlington National Cemetery. If you have questions or can not attend the meeting, please contact Mrs. Meyer at rmeyer@washington.k12.ia.us.
