The Washington Community School District directly received a \$60,000 grant for the Middle School Chromebooks and \$1,900 to replace the Talented & Gifted computers at Lincoln. High School PTO also received a grant to replace water fountains at the High School, WASA received a \$19,000 grant towards softball fields and the tree committee received funds to replace trees by the high school parking lot. Thank you so much WCRF! We are grateful for all you do for us and our community!
