

We are pleased to thank Hy-Vee & the entire Washington Community for the benefits of the Receipt Program. The Washington Middle School has just received \$1000 from Hy-Vee for collecting \$150,000 in sales receipts. The \$1000 will go toward benefiting students in the Middle School. The Washington Hy-Vee donates \$1,000 to the school district for every \$150,000 in sales receipts that are submitted. No amount is too small. Please continue to collect receipts & turn them into one of our schools. Thank you Hy-Vee & THANK YOU to all the parents, students/friends of our schools that help make this program work by collecting & turning in your receipts!
