

This year our school building is 100 years old. We have multiple events planned throughout the rest of the year to celebrate this big event. Here is some information on the upcoming events to add to your calendar.

February 24th at 7:00 pm we will be hosting a Trivia Night- "Are you Smarter than a Middle Schooler". All questions will come from our MS curriculum and Washington History. Get a team together challenge another group-challenge a group of students, see who is smarter :) Use this link to access the registration form.

March 24th at 5:00 pm we will be hosting an alumni basketball game at the MS gym. We are inviting back former girls and boys players, former coaches, cheerleaders and pep band members to the event. We will have a girls game followed by a boys game. We will finish with a small game of guys vs girls. This is a community event and all are invited to attend. We will also have a t-shirt order form out soon for this event. Use this link for the registration form.
