

While most students were starting their summer break, 40 WJHS students traveled to Washington D.C. to explore the rich history of our nation's capitol. Sites explored included the Capitol, the Crime and Punishment Museum, Ford's Theater, Mount Vernon, and Arlington National Cemetery. Highlights of the trip included a "behind the scenes" tour at Mt. Vernon based on the movie National Treasure 2, and a trip to the top of the Washington Monument to see the city at night. It was an incredible trip with an incredible group of students!!
