

We have a new team at the Washington Middle School (WMS)! The Washington Demon Tech Challenge Team is something new within our school district; currently formed with Middle School students but actually compete against High School Students. They recently competed at the Hills Qualifier at Indian Hills Community College in Ottumwa. Our team included all 6th graders and one 8th grader who were competing against 23 teams of high school students from across the state. The RoboDemons finished with a record of 2-3-1. Two of our three loses were by one point. Congratulations to our team and we look forward to what we can accomplish next year. Pictured here is our team: Griffin, Nyra, Keith, Rio, Lorenzo, Ben and Boston. Congratulations and keep up the good work!
