

Lincoln Elementary would like to thank the Lincoln Parent Teacher Group (PTG) for recent funding. "Thank you to the PTG for the purchase of 5 more Ipads!", commented Dave Hoffman (Lincoln Elementary Principal). These five will be added to the two carts of Ipads that get shared within Lincoln Elementary on a rotating basis. One cart now has 25 and the other has 20. As well, the PTG will be funding an upcoming 3rd Grade Field Trip to the African-American Museum and Carl & Mary Koehler History Center. Thank you PTG!
