

Every October, students learn about fire prevention in art class as they make posters for a contest judged by the Washington Fire Department. The goal is for the students to make a poster that conveys a message about fire safety or prevention. The state theme for this year was "Prevent Kitchen Fires." The grand prize posters went on to the state poster competition. Thank you to the Washington Fire Department for the trophies they provide and for coming to Lincoln to talk with the students about fire safety and prevention. Pictured on the top picture are the 3rd Grade Poster Winners (L-R): Elizabeth (3rd place), Aden (Grand Prize) and William (2nd place). Pictured on the second picture are the 4th Grade Poster Winners (L-R): Kenna (2nd place), Lance (Grand Prize) and Ashley (3rd place).
