

The Lincoln Elementary Media Center hosted the Book Fair in conjunction with VIP Day on February 5th. There was a constant flow of students/ VIPs visiting this event all day. The Scholastic Book Fair is an annual event. Barb Schreur, Librarian, said this year's sales topped last years and brought \$1400 into the school. 15% of this money will be spent at the Media Center for new books/materials; and 10% will be used by the PTG on student activities for this school year. Stewart Elementary had a book fair this fall with comparable results. This is a tremendous resource that is greatly appreciated by the schools and the students that benefit with the new books and materials. THANK YOU to everyone that supported this year's Book Fair!
