

We are pleased that four music students from Washington were selected for All-State in October! To be part of All-State, students auditioned and competed against hundreds of other students for this honor. Recently, Cale, Zoe and McKenna performed with their respective Opus All-State Choirs in Ames as part of this honor. Keri was selected as one of the top clarinet players to the 2011 All State Band; 2nd part, 3rd chair. This is a great honor for these four students! Congratulations!
