

NEW BOOKS!

Last Updated Thursday, March 01 2012 11:30

We've got new books for the third grade classrooms thanks to the Washington County Riverboat Foundation (WCRF) & the Lincoln Parent Teacher Group (PTG)! Leveled books for the guided reading library at Lincoln were recently purchased with this grant money. With the transition next year of third grade transferring to Lincoln, the addition of these books will help meet the needs of readers at a variety of levels. Thank you to the WCRF and Lincoln PTG!
