

Several of the teachers put on a skit at the end of the Washington Chamber Breakfast on August 20. The skit was a warm "welcome back" to our staff and focused on many of the improvements that have taken place recently in our school district: ie. moving, new high school, renovation of middle school, etc. Pictured here are: Kate Glinsman, Don Hughes, Julie Hill, Chad Wieland, Linda Soukup and Mike Jewell. The skit was written by Linda Soukup and the projector was run by Lisa Hixson. The skit involved lots of great singing and dancing. What talented teachers we have at our school district!
