

Thanks to the Stewart Booster Parent Group's leadership & Hy-Vee Washington's generosity; Stewart Elementary School recently received a donation for \$1000. Money earned through this program will be used to for our Family Fun Nights at Stewart Elementary. We will continue to try to keep the cost completely free to our families. We still continue to collect Box Tops, Campbell's Labels and ink cartridges as well. Thanks again Stewart family for all of your support! Pictured here are: Adam Miller (Stewart Principal), Chuck Underhill (Hy-Vee Manager) & April Cuddeback (Stewart Boosters President).

The following are some details of the program & how you can help:

- \* All of the Washington schools have been collecting Hy-Vee receipts during the school year.
  
- \* For every \$150,000 worth of receipts we collect, Hy-Vee donates \$1000 to one of our schools.
  
- \* Participating is easy; simply send Hy-Vee receipts with your child(ren) to school.

Thank you everyone for your support!
