

The Annual 2nd Grade Track & Field Day was held on Monday, May 19th. Mr. Roth, the second grade teachers and a wonderful group of volunteer parents helped facilitate this event. The second graders enjoyed a fun day at Case Field. All students participated in the following events: 50 yd dash, softball throw, long jump, hurdles, beanbag throw, standing long jump, shuttle run and the 400 yd run. Participation ribbons were awarded to all students and certificates were given to the top 10 finishers for both boys & girls. Thanks to everyone who helped make this event be such a success. It was a fun day!
