

Our most recent character assembly at Stewart Elementary focused on what it means to be TRUSTWORTHY. Students were taught the importance of being honest and being a good friend. On the flip side, they also were shown the consequences of being dishonest. The assembly ended with a friendly competition between Mr. Miller and Mr. Roth during a Minute-to-Win-It game where they had to be trusted to keep their eyes closed the entire time. What a fun way to learn about trustworthiness! Pictured here is Mrs. Murphy's class who helped out in the assembly.
