Rhoda Harris, Principal of Stewart Elementary School will be leaving June 13 to join the Prairie School District as Principal of Prairie View Elementary in Cedar Rapids. Although it was a difficult decision for Rhoda to leave; she will be closer to home and her family. Rhoda has been involved in education for 16 years and Principal at Stewart Elementary for the past 2 years. She contributed to our school district by showing great leadership, increasing team spirit, and encouraging a high degree of parental involvement in the education of our children. Rhoda was instrumental in securing funding to make major school improvements, raise the bar in student achievement and being a strong advocate for Stewart Elementary. Congratulations on your new position! We are very happy for you but sad to see you leave. THANK YOU for all your hard work and efforts in improving Stewart Elementary School.
