

Washington & WACO Home School Assistance Programs

Our Vision: To support, resource, and enrich families as they learn together at home

Program Highlights:

- Board certified, experienced, and caring teachers
- Wide selection of home school curriculum and learning materials
- Weekly enrichment classes for K-8 students
- Weekly credit courses for high school students
- Weekly sporting activities
- Extensive parent and student libraries
- Parent support and education
- Basic skills testing
- Field trips, service learning opportunities, and special activities
- Public school and community college dual enrollment options

Enrollment: We accept students over the summer months and up to two weeks after the onset of each semester.
