

Hard Surface Bus Routes Map

Sunday, February 10 2019 20:44 - Last Updated Wednesday, March 13 2019 07:50

During certain times of the year rural roads may not be suitable for school buses to travel on. When this is the case, the Washington CSD will issue a notice that buses will travel on "Hard Surface Routes" only. Please use this [google map](#) to identify pick-up and drop-off locations.

Click on the box next to your student's bus number. You can either click on the list of stops below the bus number to find stop times or you can click on the map stop markers closet to your location to find bus stop times.

All bus times are approximate and can/will vary due to weather and traffic conditions. As with normal routes, we suggest you are at the hard surface bus stop 5 minutes before the scheduled time for both drop-off and pick-up.

If you have any questions, you can call the Transportation Office at 319-653-3695.
